EASTMARK DU 3/4 NORTH PHASE 4 MDR LOTS 1 THROUGH 1, Mesa, AZ

When you step into this home, it just feels like home. Every detail has been perfectly designed to create a space that's warm, inviting, and effortlessly stylish. My favorite part about this home is how tastefully it's done—it's the kind of place that makes you never want to leave.

Every inch of this space has been thoughtfully upgraded. In the kitchen, you'll find an upgraded cabinet and appliance package, designer light fixtures, a custom fireplace, and new flooring throughout. The downstairs also features a half bath with stunning lime-washed walls and a massive pantry, making it as practical as it is beautiful.

Upstairs, the loft is one of my favorite spaces—it's the perfect spot to relax, curl up with a good book, or watch your favorite movie. And with four additional bedrooms, there's plenty of room for everyone to have their own space. The home's additional upgrades include an insulated garage with electric car charger, air purification system and smart home technology with remote access front door, garage, thermostat and ring door bell.

And then there's Eastmark, a community that truly has it all. You've got parks, sports courts, skate parks, and a splash pad for endless fun, plus a clubhouse, fitness center, and even a fishing lake for those who love the outdoors.

The local restaurants, cozy coffee shops, and Steadfast Farm's community garden bring a sense of connection and charm that's hard to find anywhere else. Living here is more than just owning a home; it's about embracing a lifestyle full of opportunities to connect and unwind.

This home is special, I promise you'll love it!
