Surround sound completes this inviting space, perfect for relaxing or entertaining. A thoughtfully designed powder bathroom nearby boasts an upgraded wood panel feature wall along with modern fixtures and a stylish mirror. drawers, a natural wood mantel, and floating shelves. The ensuite bathroom feels like a spa getaway, offering dual sinks, artistic tile flooring, a separate vanity space, and a stunning super shower tiled to the ceiling with a rainfall shower head and built-in bench. The laundry room continues the home's elevated design with built-in cabinets that extend to the ceiling, a shiplap accent wall, and a beautifully tiled backsplash behind the washer and dryer. Upstairs, a spacious loft provides the perfect bonus space for a play area, media room, or additional lounge space. Step outside to a backyard designed for both relaxation and entertainment. Landscape lighting sets the mood, while artificial turf with sprinklers ensures easy maintenance. Enjoy a soak in the spa, shoot some hoops on the basketball court, or unwind by the built-in fire pit. There's even an outdoor charger for added convenience. The garage is equally impressive, featuring a service door, an electric vehicle charger, and a separate third-car garage for added flexibility.
