TERRAVITA, Scottsdale, AZ

This rare Flora model has been completely remodeled. The Flora model did not come with a casita--this has been added. Two additions were added to enlarge the kitchen and a nice private dining room. As you enter into the wide open great room you are looking at a glass wall with sliding doors. Beautiful White Oak WOOD floors were added through out the house. Kitchen has stunning solid cherry wood cabinets set off with solid quartz counter tops and full quartz back splash. A new drawer microwave, 42" Subzero and a commercial grade duel-power range round out this kitchen. Bathrooms were completely remodeled with new tile, new shower and 2 new ADA toilets. Extra storage cabinets were added. Front courtyard is tactfully done with pavers and a large planter. Back patio has stunning views.

Built in 1997
