multiple skylights, and a newer A/C unit (2019)
keep things bright and cool. The cozy living
room features wood-look floors, a fireplace,

exposed wood-beam ceilings, and skylights that welcome in the Arizona sunshine.

The thoughtfully split floor plan offers privacy in the primary suite, while the oversized fourth bedroom is ready for action whether you dream of a media room, playroom, or epic lounge. The kitchen is stylish and functional with stainless appliances, a wall oven, butcher block-style counters, and sleek white cabinets.

Ready to unwind? The spacious primary suite includes its own fireplace and a spa-like ensuite featuring a freestanding soaking tub and walk-in shower perfect for candle-lit nights and a glass of wine.

Now, let's talk about that backyard. It's a showstopper:

An 800 sq ft covered patio is decked out with lights, outlets, outdoor curtains, and yes even ping pong. The lush lawn, private putting green, heated pool with rock waterfall and slide, and built-in spa create an entertainer's paradise. There's even a disc golf setup and an outdoor bathroom and shower, because nobody wants pool feet tracking through the house.

And it doesn't stop there:

Two outdoor sinks, a spacious storage area, a chicken coop with power and water, and gray water plumbing for both washers make daily living a breeze. Flood irrigation helps keep the grounds vibrant year-round.

Need space for guests or extra income? The 400 sq ft attached casita delivers with a full kitchen, granite counters, bathroom, living area, private entrance, washer/dryer, and dedicated parking. It's private, practical, and ready to go.
